

***Access Indiana Information Network  
Electronic On-line Service Authorization and Rate Request***

**Date Proposed:** August 27, 1998  
**Request Number:** 1998-3  
**Rate Period:** Indefinite

**Summary:**

Consistent with the Indiana statutes governing access to public records, enhanced electronic access, and the Indiana Intelenet Commission; the State of Indiana Broad Agency Announcement 95-39; the Network Manager Proposal of Indian@ Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indian@ Interactive, Inc.; Indian@ Interactive, Inc. being authorized as Network Manager for the Access Indiana Information Network (AIIN) requests and recommends that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the AIIN services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line enhanced access fees per service offered as detailed in this document. Such funds collected for AIIN services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the AIIN fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all AIIN services at any rate less than the maximum amount approved in this and any future rate requests.

**Service Request 58:** Approval of Non-Subscription, Individual Record Access Fees, *Instant Access*

In accordance with the authorities cited above, the Network Manager requests and recommends that information offered by AIIN for online access from the ~~following records~~ previously approved **Premium Services** to be made available, be made available by the Network through the use of non-subscription, individual record access transaction at an additional charge.

The AIIN fee per transaction is recommended to be \$1.00 in addition to the merchant fee associated with the processing of the transaction. This Instant Access fee would be in addition to any statutory charges and other enhanced access fees already approved. AIIN revenue from this service will be used for the general operation and development of the Network, and in particular, is expected to substitute in part for any revenue shift away from subscription fees which are used in connection with user assistance and account administration. Development

of appropriate screens for ~~voluntary~~ entry of user identifying information as a condition of access is recommended and will be implemented. Users will be required to utilize a third party online payment vendor, such as Cybercash®. Merchant fees are subject to change as the calculated average transaction changes. The merchant fee charged to the user of Instant Access will be adjusted to reflect these changes.

**EDARC Action:**      **Approved**\_\_\_\_\_      **Disapproved**\_\_\_\_\_

**Service Request 34Amendment:**    ~~Archive of Indiana Utility Regulatory Commission~~  
~~Orders~~

In accordance with the authorities cited above, the AIIN requests and recommends that the ~~non-current~~ orders of the Indiana Utility Regulatory Commission be accumulated and archived in the future by the Network, and be made available for electronic search and retrieval on the network. **The initial free download period of one week is eliminated.** The Network Manager recommends and requests that this new service be made available at a flat fee of ~~\$7.50~~ **\$1.00** per unit to download. Revenue for this service will be used for the general operation and development of the Network.
